BANQUET FACILITY INFORMATION

Welcome and thank you for considering Pine Lakes Golf Club as the host venue for your special event. Our facility is open to the general public for Breakfast, Lunch and Dinners on a seasonal schedule or private reservations. We offer a full bar and dining areas for private parties, wedding receptions, anniversaries, birthdays, luncheons, golf tournaments, business meetings, corporate functions and any other type of event you may have. You will find the casually elegant atmosphere at Pine Lakes to be second to none, completely unique, warm and inviting; there is nothing in the area like it.

We are available year round to host your event. We offer plenty of parking and our event venues boast some of the best views in Palm Coast. Our rooms vary in size and seating from 14 up to 140 depending on what room or event space you may need.

Main Dining Room:

The Main Dining Room at the Pine Lakes has a spacious dance floor, private service bar and features lovely view of the golf course out three walls of windows. It can accommodate up to 140 guests based on the seating arrangements. It may be used for weddings, private parties, business presentations or “trade shows”

The Conference Room:

Located adjacent to The Pub, the Conference Room can be used for smaller groups of up to 16 and is a great place to have a meeting or an elegant private party. It features a large full color TV for presentations also.

The Pub Room: The Pub Room seats 60 guests dining and 22 at the two level bar. It features a lovely view of the golf course on one wall of windows, and the Patio Area off of the Pub can seat an additional 24+ in an open air venue.

The Pool Complex: The Pool Areas seats up to 70 guests for dining around the pool itself. It may be used to host cocktail parties, plated or buffet breakfast, lunch or dinners, or youth pool parties if so inclined. It captures the ambiance of outdoor dining in a casually upscale environment. Private events may feature a bar and up to 4 draft beers on tap.

Parking

The parking lot is large and was just restored in August of 2016. A large circular driveway allows guests to be dropped off “at the door” if necessary.
